

Oldwood Surgery & Battle Health Centre

Meet Ed **Our new GP**

Dr Ed Dawton joined the practice in May, taking over from Dr Rob McNeilly who retired in March. He completed his GP training in 2019 and has been working in Rugby, Warwickshire.

Ed, his wife and two young daughters have relocated to Hastings to be nearer to his wife's family. He is loving living by the sea and is busy exploring the coastal paths during his regular runs.

Ed is working Monday, Thursday and Friday and at both locations, Oldwood Surgery and Battle Health Centre.
